**TOWN OF YOUNTVILLE
MEMORANDUM OF UNDERSTANDING**

This Memorandum of Understanding (“Memorandum” or “MOU”) is an agreement between the Town of Yountville hereinafter referred to as “Town”, and the Yountville Employee Association (YEA) Mid Management Professional Unit (MMP).

PURPOSE

The purpose of this agreement is to promote the mutual interests of the Town and the employees, and to provide for the operation of the Town’s facilities under methods which will further, to the fullest extent possible, the safety and welfare of the employees, economy and efficiency of operations, elimination of waste, realization of optimum quality and quantity of product and/or service, cleanliness of facilities and protection of property.

SECTION 1 – UNIT RECOGNITION

The Yountville Employees' Association Mid Management Professional Unit , a recognized employee organization, and the Town of Yountville, a public agency, have been meeting and conferring consistent with Section 3500 of the California Government Code and have reached agreement.

The Town recognizes the Yountville Employee Association Mid Management Professional Unit hereafter as “Association” as the mid management professional employees representative of permanent employees employed in the job classifications attached as Appendix “A”.

The scope of representation shall include all matters relating to employment conditions and employer-employee relations including, but not limited to, wages, hours and other terms and conditions of employment, except, however, that the scope of representation shall not include consideration of the merits, necessity, or organization of any service or activity provided by law or executive order.

It is the intent and purpose of this Memorandum to set forth the total and complete understanding and agreement regarding wages, hours, and terms and conditions of employment. All present rules, employee rights, privileges, and benefits shall remain in effect unless specifically altered by the provisions of this Memorandum of Understanding.

Association/Unit Security and Rights

Both parties agree that the designated Association/Unit representatives shall have reasonable access to bargaining unit employees. All designated Association/Unit representatives are required to check in with Town management prior to visiting with employees during working hours or on Town owned facilities. The Association/Unit agrees to make good faith efforts not to disrupt the normal business operations of the Town. The Association/Unit agrees to notify the Town’s designated Employee Relations Officer in writing within thirty (30) days of any changes in its officers, stewards, mailing addresses or other information relating to employer-employee relations.

Expectations for FLSA Exempt Employees

General Office Hours

FLSA-exempt employees are paid on a salary basis and provided with additional administrative leave time. FLSA-Exempt employees are expected to put the hours and work effort in that is necessary to do the job. This may mean sometimes those exempt employees may take work home, come in early or stay late based on work load needs and project completion deadlines. FLSA exempt employees have more flexibility with their work schedule than non-exempt employees. Exempt employee work schedule flexibility is defined by several significant factors: 1) that employees are getting the job "done right" in a timely and appropriate manner; 2) meeting project completion deadlines and established service delivery dates, 3) available to interact with the public, other town staff and external partners as necessary for employee and them to conduct necessary business and 4) respectful and supportive of the Town's lean organizational staffing structure which often requires availability to shore up the administrative and clerical support staff as necessary and to support their work objectives, and 5) recognition that as a public agency there is the need for public accountability of staff resources and leave benefits provided to employees

Core office hours are the same as the facility in which the employee is based unless otherwise designated or approved by the supervisor or Town Manager. Town Hall is open Monday through Friday from 8 a.m. to 5 p.m. The Community Center is open from 7:30 a.m. to 5:30 p.m., Monday through Friday and some weekends which results in staggered employee working schedules as assigned by the Parks & Recreation Director. The Public Works Corporation Yard hours are Monday through Friday from 7:30 a.m. to 4:00 p.m.

Lunch and Breaks

Lunch hours are one hour with the understanding that there may be occasional extended lunch hours for business meetings, work or personal reasons/errands. However, this is not the normal as extended absences have operational impacts on other Town employees. Lunch hours should be taken between the time period of 11:30 a.m. and 2:00 p.m., unless there are exceptional circumstances. Additionally, it should not be the practice of employees to eat their lunch at their desk and then also take off for their normal lunch break.

Break Times: All employees are provided and encouraged to take a 15 minute break in the middle of each of their regular 4 hour morning or 4 hour afternoon work schedule. As a management level employee it is your responsibility to appropriate schedule and take periodic breaks.

Breaks and lunch time that are NOT TAKEN are not then owed employees and are not to be used as justification to extend the lunch hour or leave work early in lieu of not taking your break.

Flexible work schedules or temporary adjustments to your normal schedule require approval from employees' immediate supervisor and the Town Manager.

Council/Commission Meeting Attendance:

The Town recognizes that working a normal business day and then going into a 6 p.m. meeting that can last two (2) to four (4) hours makes for a long day. The Town encourages employees attending the Council meeting to take a meal or break before the start of the meeting so as to be rested and ready for a productive meeting. In support of this initiative employees may periodically take time away from the office from the normal office hours of 4:00 p.m. to 5:00 p.m. for a meal break prior to the start of the meeting.

Morning after meetings

Occasionally after longer evening meetings employees may adjust their morning start time to but are expected to be in the office by 9 a.m. This administrative flexibility is not meant to be used automatically after **each and every** meeting.

Administrative Leave:

Additional Administrative Leave time is provided in an amount determined by the Town Manager to FLSA Exempt employees in partial recognition that the demands and nature of their position requires additional work effort outside of the normal M-F 8 to 5 office hours. This additional work effort includes such things as attendance at council/commission meetings, external meetings, participation in conferences/workshops, community outreach efforts, and at times may require additional personal work effort on your part to meet work deadlines.

Administrative Leave time is an additional leave benefit in part to compensate for the additional "time" required to do the job the right way. Administrative Leave is not like comp-time or overtime which is earned on an hour for hour basis. Administrative leave is provided to employees annually for the body of work produced by the FLSA exempt employee and can be used at the employee's discretion consistent with leave policies. FLSA-Exempt employees are not eligible for overtime pay or compensatory time off.

Payroll Leave Reporting:

The Town utilizes the philosophy that an FLSA-exempt employee will be paid for 80 hours each payroll period and that only leave usage is reported from the sick leave bank, administrative leave bank, and vacation bank. It is each employee's responsibility to report your use of vacation, administrative, and sick leave usage on a payroll period basis.

Monitoring Work Hours

You are directed to carefully monitor your own work hours to ensure that you are complying with this memorandum. If you supervise employees, you should also carefully monitor the work hours of your subordinates. However, you are prohibited (or discouraged) from monitoring any other employee's work schedule as this is their direct supervisor's responsibility.

Voluntary Dues Deduction

Voluntary payroll deductions for Association/Unit membership dues shall be granted by the Town to the Association in accordance with the following terms:

Use of such dues deduction is at the discretion of the Association and shall be initiated by written request of the Association.

Payroll deductions shall be for a specific amount and uniform as between employee members of the Association. Payroll deductions shall be limited solely to membership dues and not for other sundry related programs, insurances, etc. Authorization, cancellation, or modification of payroll deduction shall be made upon forms provided or approved by the Town Manager or designee. The voluntary payroll deduction shall remain in effect until employment with the Town is terminated or until cancelled or otherwise modified by the employee through written notice to the Employee Relations Officer.

Employees may only authorize dues deductions for the Association/Unit certified as the recognized bargaining unit to which such employees are assigned. Any dues deduction authorization will automatically terminate in the event that the Unit's status as exclusive bargaining unit for the members terminates.

Amounts deducted and withheld by the Town shall be transmitted to the office or officer designated by the Association/Unit as authorized to receive such funds at the address specified by the Association/Unit representatives.

The employee's earnings must be sufficient; after all other required deductions are made, to cover the amount of the deduction herein authorized. All other required and/or employee authorized payroll deductions have priority over payment of Association dues should the paycheck not be sufficient to make all required deductions. When an employee is in a non-pay status for an entire pay-period, no withholdings will be made to cover that pay-period.

The Association/Unit shall indemnify, defend and hold harmless the Town against any claims, demands, lawsuits or any other actions initiated against the Town arising from compliance with any of the provisions of this article.

The Association shall refund to the Town within thirty (30) days any amounts paid to it in error upon presentation of supporting evidence by the Town. Conversely, the Town will correct payment for any amounts paid incorrectly to Association within thirty (30) days upon supporting documentation presented by the Association.

No Discrimination

There shall be no discrimination by the Town or Association/Unit in employment conditions or treatment of employees on the basis of membership or non-membership in the Association, or participation or non-participation in Association activities.

The Association shall not discriminate or restrict its membership based on race, color, ancestry, national origin, religious creed, sex, sexual orientation, age, medical condition, disability, marital status, political opinion or affiliation.

Town Rights

The Town reserves, retains, and is vested with any management rights not expressly granted to the Unit by this agreement, including those rights as specified in the Town's Employer-Employee Relations Resolution (EERR).

Should the Town desire to exercise any of its rights, it will, except for cases of emergencies, give the Unit advance written notice of its intentions thereof and offer to meet and confer with the Unit's designated representatives

There was only one position out of target range, Engineering Technician. Adjustment will be made by the current step D as the new step A. Through June 30, 2018, the Town of Yountville shall contribute 100% of amount equal to the cost of the Kaiser Health plan premium provided to employees that were hired prior to July 1, 2011 through the PERS Health program. The cost shall be determined for each insurance coverage type as currently defined by PERS Health Program: employee only, employee and one (1) dependent and employee and two (2) plus dependents. Any balance owed by the employee for a plan selected which costs more than the contribution provided for by the Town shall be deducted by use of payroll deduction. The Town of Yountville will continue to pay entire premium for dental insurance for employees and dependents. Submission of marriage certificate or domestic partnership

The cost shall be determined for each insurance coverage type as currently defined by PERS Health Program: employee only, employee and one (2) dependent and employee and two (2) plus dependents.

The Town of Yountville will continue to pay entire premium for dental insurance for employees and dependents. Submission of marriage certificate or domestic partnership registration is required in order to have spouse/domestic partner included as eligible for insurance coverage.

YEA MMP agrees that the Town has the right to research and evaluate other alternative health insurance options other than CalPERS should a viable alternative become available. Town agrees to meet and confer related to any potential change of health insurance provider. Intent would be to provide comparable quality of programs, provide for retiree medical coverage and to result in net positive saving to the Town in order to make a program delivery change.

2. Duplicate Medical Coverage

Any employee who has health plan coverage as a result of being an eligible dependent of a person employed either by the Town or elsewhere may request that his/her health plan coverage as an employee of the Town be terminated; and that, in lieu of the amount the Town would otherwise pay for the health plan coverage for that employee, five hundred dollars (\$500.00) per month will be paid by the Town into either the employee's deferred compensation account or as additional taxable compensation. To participate in this program, the employee shall provide proof of other health plan coverage. If employee should lose other health insurance coverage, employee shall provide Human Resource department proof of loss of coverage, and employee is eligible for enrollment into PERS Health program.

3. Health Insurance Continuation after Retirement from Town

The historical practice of the Town is to contribute the same amount as active employees in the same position per month towards health insurance premiums for retirees and surviving spouses from the Town of Yountville. Town Employees hired prior to 1-1-11 will receive 100% retiree health coverage if they meet the specified vesting requirements which include five (5) years of service with the Town of Yountville which is consistent State Law (Government Code Sections 22893 and others as applicable) governing required years of public agency credit, schedule of contribution amount paid by employer, eligibility for benefit provisions. Employees hired after 1-1-11 that meet the Towns vesting requirements will receive 90% retiree health coverage which are subject to the following conditions and understandings:

- 1) Contribution amount as per current PERS approved vesting schedule is as:

PERS Credited Years of Service / Percentage of Employer Contribution

10	50%
11	55%
12	60%
13	65%
14	70%
15	75%
16	80%
17	85%
18	90%
19	95%
20	100%

- 2) Should the provisions for vesting change or allow for a local agency designed vesting schedule, YEA and the Town agree to meet and discuss possible implementation of local vesting schedule and eligibility requirements.

YEA MMP understands and acknowledges that the Town is researching and looking at alternative means to offer **new hires** retiree medical benefits that may be different than the current program which provides a contribution upon retirement based on length of PERS service and current contribution rates to medical insurance premium for active employees. Alternatives include, but are not limited to programs such as HSA or HRA which are accounts where the Town provides a contribution to an account in the employee's name (similar to "Deferred Compensation" program) which is then used by employee at time of retirement to pay for medical costs, including premiums. YEA MMP agrees that the Town can implement a new program for new hires if a viable program is found. Town agrees to meet and confer with YEA MMP related to new program for new hires should a viable program be found.

4. Continuation of Benefits

When an employee is absent from work due to an accepted work/non-work related injury (disability), the Town shall continue health and welfare benefit contributions (for health/dental insurance), up to the amount set forth in Section 3.B.1, for a period not to exceed ninety (90) days after all leaves have been exhausted. EMPLOYEE COMPUTER PURCHASE PROGRAM

PURPOSE

The goal of this program is to improve organizational productivity by encouraging employees to purchase and use personal computers by providing them with a modest financial incentive to do so.

In striking a reasonable balance between the benefits to the Town and the employee, the loan program places the primary financial obligation on the employee for the purchase price of the computer hardware and software, with financial assistance from the Town in the form of a no interest loan repaid through payroll deductions.

Goals

The effective use of technology is one of the key strategies available to us in achieving our goals of delivering quality services to our customers and improving productivity. In order for technology to realize this promise, it is critical that employees be well trained and comfortable in its use.

Program Benefits to the Town

While the Town encourages formal training for the employees, the reality is that skill development will be much faster, and will occur in greater depth, if employees have computers at home with the same software that the Town uses. This allows employees (on a voluntary basis) to use these applications more frequently, explore their features in greater detail, and to do so at their leisure and pace in a comfortable environment. From a Town cost perspective, it would be extremely expensive for employees to devote this kind of time to training during work hours; and as a practical matter, would never be available. By providing an incentive for employees to have a computer at home with applications similar to the one at work, the Town will benefit significantly in making more effective use of information technology resources.

PROGRAM FEATURES

- ◆ *Maximum loan amount.* The Town will lend employees up to \$3,000 for the purchase of computer hardware and software. Regardless of the loan balance, employees may not have more than one loan outstanding at any time.
- ◆ *Loan repayment.* Repayment will be made through equal bi-weekly payroll deductions over a maximum period of 24 months. Repayment in full will be accepted at any time without penalty to the employee.
- ◆ *Interest.* The Town will charge no interest on loans under this program.
- ◆ *Payment upon termination.* Any remaining loan balance is due and payable upon termination, and will be deducted from the employee's final check.
- ◆ *Eligibility.* Full-time employees who have successfully passed their probationary period and part-time employees eligible to accrue benefits are eligible to participate in this program. In addition, participants shall have no garnishments for credit or tax purposes, or similar liens in place at the time of application.
- ◆ *Usage.* The predominate use of any computer equipment or software purchased under this program is restricted to Town employees only. Any items so purchased will not be sold or otherwise transferred for the use of others until the Town's loan is repaid in full. Only one computer, laptop, netbook iPad, tablet, peripheral equipment, Smart Phone or Cell Phone and accessories may be purchased per order/loan.

Smart Phone or Cell Phone purchase eligibility: Employee must be currently participating in the Town's Cell Phone Stipend program. Eligibility for this program is outlined in the Town's Cell Phone Stipend Policy. This program is designed to assist eligible participants with the purchase, upgrade and or replacement of outdated or damaged phones. If you need to use the loan program to replace a damaged or lost phone, and have an existing computer loan, you may request approval from the Finance Director for an additional loan for phone replacement only. This may be used by the employee only. Family members are not eligible in the phone replacement loan

INSTALLATION AND SUPPORT

- ◆ . Eligible hardware purchases include new computers, software, upgrades to existing computers, laptops, netbooks, iPad, tablets printers, related taxes and shipping charges, and extended warranty agreements offered at the time of purchase.
- ◆ *Exclusions:* Televisions, cameras, gaming consoles and music docking stations.
- ◆ *Smart Phones – Cellular Phones.* There are no specific requirements of the type of phone you choose. The phone must be compatible with the Town's network.
- ◆ *Non-eligible purchases.* Costs related to installation, training, repairs, telephone lines, on-line services, furnishings, or any other initial or ongoing costs are not eligible for funding under this program, and are the sole responsibilities of the employee. The Town has no responsibility for support and maintenance for any purchases funded under this program.

PURCHASE AND LOAN PROCEDURES

Reimbursement of costs. Employees must directly purchase items and submit requests for reimbursement to Finance Department. All expenditures must be made within a 30-day period, and submitted in one consolidated request for payment. Reimbursement for purchases will be processed on the next regularly scheduled payroll once loan agreement is approved by Finance Director. No funds will be advanced to employees for the purchase of loan items.

INSURANCE

For their protection, employees should provide adequate insurance coverage to protect their purchases against damages due to theft, fire, flood, and lightning. The Town does not assume any liability for damage or theft of items purchased under this program. All agreed upon payroll deductions will continue through final payment even if the items funded from this program are not available for the employee's use for any reason whatsoever.

TAX IMPLICATIONS

Questions regarding tax consequences of participation in this program should consult their tax advisor.

LOAN AGREEMENT

Employees will enter into a loan agreement that fully sets forth:

- ◆ Amount and term of the loan, and the resulting amount of deductions.
- ◆ Employee's authorization for the deduction to occur.
- ◆ Equipment funded under the loan.
- ◆ Employee's understanding and agreement with all the terms of the Town's employee computer loan program.
- ◆ Approval of the loan agreement by the Finance Director.

PROGRAM ADMINISTRATION

The Finance Director is responsible for administering this program.

**EMPLOYEE TUITION & EDUCATION EXPENSE
REIMBURSEMENT POLICY**

INTRODUCTION

The Town of Yountville is committed to a work environment that encourages its employees to continue education and self-development as a means to maintaining a knowledgeable and proficient workforce that provides a high level of service to the organization and to the public. The Town is committed to ensure that employees have the opportunity to upgrade their knowledge and skills in order that they may meet the changing demands of their jobs and their professions. The Town herein provides a policy and procedure for employees to obtain reimbursement of qualified educational expenses.

ELIGIBLE PARTICIPANTS

The policy for tuition reimbursement shall be available only for Full-time employees and Regular Part-time employees who work at least 75% time, who work filling regular positions, on other than a limited-term basis; who have completed their initial Town probationary period; and who are performing their jobs satisfactorily. Employees are not eligible for reimbursement if their educational costs are being defrayed by another agency such as the U.S. Veterans' Administration or the California State Department of Veterans Affairs.

GENERAL PROVISIONS

1. Courses must be related to the work of the employee's position; career development or occupation in such a fashion as will offer substantial benefit to the Town. Prerequisite courses for eligible courses, or courses, that are required for the completion of a specific program, are also eligible for tuition reimbursement.
2. Courses shall be taken outside the employee's working hours, unless extenuating circumstances exist and approval to use Town time is prearranged with the employee's department manager and approved by the Town Manager.
3. Courses must be taken for credit; audited courses will not be reimbursed.
4. Courses must be taken at accredited institutions. Correspondence courses from reputable institutions will be considered only when equivalent courses are not available at local accredited schools, or when the employee's circumstances prevent him from attending local courses.
5. Courses are not eligible for tuition reimbursement if they:
 - a. Duplicate in-service training, which is available.
 - b. Duplicate training, which the employee has already had.
6. Attendance at Conventions, Workshops, or Institutes, etc., is not included in this Tuition & Education Expense Reimbursement Program.
7. Reimbursement shall be subject to certification by the department concerned that the course of study meets the eligibility requirements of this Policy.

8. Requests for reimbursement must be approved before the course is undertaken, and such approval shall be subject to the availability of funds appropriated for reimbursement in the adopted Town Budget.
9. Reimbursement for qualified expenses shall be made only upon presentation of evidence of payment for and successful completion of courses as evidenced by a "C" grade or better, or a "Pass" for a Pass/Fail course.
10. Employees shall submit Requests for Reimbursement, with registration confirmation, verification of grades, and expense documentation within 45 days of completion of the course(s).

NATURE OF REIMBURSEMENT

1. The maximum reimbursement that may be received by an employee in one fiscal year shall be one thousand two hundred (\$1,200.00) dollars.
2. Reimbursement shall be limited as follows:

Reimbursement may be made for out-of-pocket expenditures for tuition, registration fees, required textbooks and required laboratory fees. Other incidental expenses (e.g., parking fees, meals, and books and materials not assigned to the course) are not reimbursable.

PROCEDURE FOR TUITION REIMBURSEMENT

1. The employee shall submit a Tuition & Education Expense Reimbursement Application to their Department Head, who shall either recommend approval of the request or deny it, based on the criteria set forth in this policy. The Department Head shall then forward the application with their recommendation to Administration for review and final processing.
2. The employee shall apply for Tuition Reimbursement through such supervisory channels as are designated by the manager of his/her department, and on forms provided by the Administration.
3. An employee may appeal denial of the request (unless the reason for denial is lack of tuition funds) under the current grievance procedure or appropriate M.O.U.4. Forty-five (45) days following completion of an approved course, the employee shall obtain from the educational institution, certification that fees were paid and a grade was obtained, and provide such documentation, along with a Request for Payment Form, to Administration. The employee shall also present evidence of payment of other qualified expenses.

CONTINUED SERVICE REQUIREMENT

An employee must continue in a full-time, regular position in the Town's service for two years from the date of completion of the course in order to avoid a repayment liability. In the event an employee leaves their employment with the Town within a 2-year period after the completion of courses they have been reimbursed for, they will be required to pay back the amount paid by the Town as follows:

- Within 0-1 year – 100% of the reimbursement paid
- Within 1-2 years – 50% of the reimbursement paid

In such a situation, the employee agrees that the Finance Department is authorized to make a deduction from the employee's final payroll check for the appropriate amount of tuition reimbursement to be forfeited to the Town.

PROCESS OVERVIEW
