The Town of Yountville Parks and Recreation Department is pleased to announce the fall leisure activities and programs to the community and invites you join us at our Fall Leisure Program Open House. The Open House will take place at the Yountville Elementary School, 6554 Yount Street on Monday, August 16<sup>th</sup> from 6 p.m. to 7:30 p.m.

The benefits of participating in one of our leisure activities are endless and include increasing flexibility and stamina, learning a new language, learning a new skill, refreshing an old skill or simply meeting a new friend. Classes range from Little Kickers Soccer League to Zumba. Classes begin in September so visit our website at [www.townofyountville.com](http://www.townofyountville.com) to see our full lineup and register today!

Here is what one resident said about her experience with the new class. "My daughter is in the ballet/tap dance classes and is having fun meeting new friends. I enjoy knowing she is learning to develop her dancing skills, while also being physically active. It is great the After School Programs will take the children to and from the classes too."
