Subject: Master Gardeners Workshops Offered at Yountville Community Center

The Yountville Parks and Recreation department is pleased to announce upcoming workshops offered in partnership with UC Master Gardener's of Napa County. The workshop series will begin in February 17, from 6pm to 8pm, at the Community Center, with a workshop on Plant Propagation taught by Master Gardener Pat Voss. Pat is a master at up-to-date methods of making new plants from existing ones in your garden. This will be a hands-on class.

The next workshop "From Seed to Garden" will be lead by Master Gardner's Susanne von Rosenberg and Pat Hitchcock, who are both successful vegetable growers. This workshop will be held on March 10, from 6pm to 8pm, at the Community Center. Students will learn that summer really starts now in your vegetable garden.

The fee for each workshop is \$10. To find out more information or to register log on to www.townofyountville.com or call 944-8712.
