

*Town of Yountville*

*"The Heart of the Napa Valley"*

## **MEDIA RELEASE**

### **FOR IMMEDIATE RELEASE**

**Date:** 5/3/11

**Contact:** Samantha Holland-Wagner, Parks and Recreation Director  
707.944.8712

**Subject:** Changes to Town Yard Sale and Clean Up

The annual Town Yard Sale is being held on May 14<sup>th</sup>. To participate in the yard sale you can call the Parks & Recreation Services Department at 944-8712 and give your name, address and times of sale or you can e-mail the information directly to the Yountville Sun: [news@yountvillesun.com](mailto:news@yountvillesun.com) and the week before the garage sale your information will be advertised in the Yountville Sun.

The Town Clean Up will not occur this year. The cost of collecting trash items curb side was prohibitive this year since the Town's "credit" that the program was funded through from Upper Valley Waste Management has been spent by offering the clean up for the past 3 years. We recommend you recycle any reusable items by calling one of the following local donations pick up providers and scheduling them to pick up your reusable items.

American Veterans: 800-747-8387

Goodwill: 800-400-2720, [www.gire.org](http://www.gire.org)

Salvation Army: 800-958-7825

United Cancer Research Society: 800-443-4224

For information on additional trash removal, please contact Upper Valley Disposal and Recycling at 707.963-7988.
