

The Yountville Library Needs YOU!

Volunteer your time to add additional hours of Library access. **The Friends of Yountville Library** support this “extra hours” program with a special offer:

Help add additional hours of Library access and enjoy your reading time at home too!

The Friends of the Yountville Library group was organized in 1987 to support the Yountville Main Library. Over the years, the membership has grown to nearly 100 members, consisting of individuals, families and businesses.

Focused on helping the Library in a number of ways:

- By raising funds, primarily by donations from our generous members and used book sales to help the Yountville Library purchase needed items
- By maintaining an association of persons interested in libraries,
- By supporting and cooperating with the Library in developing library services and facilities for the community.

Note: Napa County screening required for volunteers, including fingerprinting, photo and background check.

Pick up your application and begin the process here at the Yountville Library.
