Subject: Dog Park Discussion

The Parks and Community Services Commission invites the public to engage in a discussion about the need for a dog park in Yountville. The process kicks off on Saturday, February 20 at 9:00 am with a tour of potential dog park sites. The tour departs from the Yountville Community Center and carpooling will be the mode of transportation.

Immediately following the tour, the Commission will hold a discussion so residents can voice their opinion about the need for a dog park. The discussion will take place inside the Community Hall, 6516 Washington Street.

Anyone needing more information about the tour and discussion should call the Parks and Recreation Department office at 707-944-8712. If there is a heavy downpour on February 20, the tour and discussion will be postponed until February 27, same time, same place.
