**Subject:** **New Year....New Plan...Take a class with us!**

The Town of Yountville Parks and Recreation Department invites you to start off your new year with a new activity. Our staff is excited to offer a new variety of leisure classes and programs for all ages, at the new Community Center. Some of the benefits you can gain from registering for a new class or program with us is increasing your body's flexibility, learning a new language, learning a new skill, refreshing an old skill or simply meeting a new friend. Classes range from mini hoopers basketball leagues to zumba and will begin January 18. Visit our website at [townofyountville.com](http://townofyountville.com) and see what new class you can sign up for today.

Here is what one resident said about taking a new class. "I'm looking forward to taking Zumba classes and having fun with my friends. I can dance and work out while having fun." ~ Anita Martinez

If there is a class you are interested in that we have not scheduled, please contact us at 944-8712 or Email [jcarvalho@yville.com](mailto:jcarvalho@yville.com) and share your interest with us.

**The Yountville Parks and Recreation Department accepts cash, check and now credit card payments. To register please contact the Parks and Recreation Department at 944-8712.**
