Subject: Appointment of Finance Director/Treasurer

After an extensive recruitment throughout Northern California with over thirty applicants and several of them highly qualified to choose from, Town Manager Steve Rogers is pleased to announce the appointment of Kathleen Bradbury as Finance Director/Treasurer.

Ms. Bradbury worked for the County of Sonoma while completing her Management/Accounting degree at Sonoma State University. She passed her CPA exam in 1995, but chose to focus her career in local government. She then worked as the Accounting Manager for Santa Rosa Junior College for six years, and has spent the past four years as the Accounting/Information Systems Manager for the City of Healdsburg.

"Ms. Bradbury comes to the Town with a strong accounting, financial system and Information Systems background. She is enthusiastic about working for the public sector and expresses a sincere interest in Yountville. Kathleen's extensive accounting and financial management background made her a clear choice to meet the challenges and opportunities facing the next Finance Director for the Town of Yountville. "We are excited to have Kathleen join our team" states Rogers.

"The Finance Director position appealed to me because of the hands on nature and the opportunity to work on a variety of different projects, including the Town's software conversion. I am inspired by the sense of community and I look forward to serving as the Finance Director in the beautiful small town of Yountville" states Bradbury.

Kathleen and her husband John, who has worked in Napa for the past 12 years, are already making plans to relocate from Santa Rosa to the Napa Valley sometime next year.
