A Message From Miss Carol....

Hello, my name is Carol Rasmussen. I am so excited to be a part of our Camp Y Ville Summer Day Camp Program. I have been working with the Town of Yountville for the past ten years. I have directed the Before and After School Programs, Summer, Spring and Winter Camps and have enjoyed being a part of such dynamic and fun programs.

This year we have decided on a theme of Camp Y-Ville goes on "Vacation" . Each week, we will be 'visiting' a different destination where we will explore what makes the USA so special.

Communication is a key to a successful program! Please let me know if you have ideas or questions regarding the program. I have a true passion for children and as a wife, mom and grandma, my goal is to provide a safe, nurturing and enjoyable summer program for your child.

Sincerely,

Carol Rasmussen, Recreation Coordinator

Discipline Policy

We try to monitor our campers behavior very closely as to avoid problems that may arise. We avoid situations by communicating, being consistent, setting rules, and treating campers with respect. If a problem does arise the following steps will be made:

1. Camper will have a "Time-IN", which is a verbal warning, along with an explanation of the problem with a senior camp counselor.
2. Conference with Recreation Coordinator
3. Call home, possible parent conference.
4. Possible suspension from the program.

Continual problems with the child could result in a permanent suspension from the program. Some severe behavior issues may warrant immediate suspension at the discretion of the Recreation Coordinator.

- Non-cooperation
- Physical or Verbal abuse of another child or leader
- Lack of cooperation by parent/guardian
- Continual late pick-ups

Camp Y-Ville Purpose

The purpose of the Yountville Summer Day Camp is to provide a safe, educational and fun environment for children during the summer months. Our program will provide children with a variety of activities, ranging from sports to a summer reading club. Our goal is that each camper be given opportunities to learn and grow, whether it be through sports, crafts or group activities. We believe that we can make the summer a memorable one for your children. Our staff is dedicated to making sure that each camper leaves feeling confident about their own special abilities.

What do Campers need to bring to Day Camp?

Please make sure ALL items are LABELED clearly with your campers name!

- **Water Bottle:** It is important that campers come to camp each day with a plastic water bottle. Because of the heat and sun exposure, it is important that campers keep well hydrated.
- **Sunscreen, towel & swimming suits in a backpack:** Please send these items with your child each day to camp. Even if we do not have a planned trip to the pool, we often play water games, or run in the sprinklers.
- **Sack lunch & Snacks:** While we do provide a morning and afternoon snack, some campers still need extra food during the day. If you know that your child will be hungry, please send adequate food. Also, please make sure that the foods you send with your child are healthy; please do not send soda or sweets with your campers. Please label all food containers and send only plastic containers, NO GLASS please.
- **Walking shoes only:** Because of the summer heat we understand that campers may want to wear sandals during the day. However, many of our planned activities require that the campers wear good comfortable closed toed athletic shoes. If your child chooses to wear sandals to camp, please send them with walking shoes and socks as well. Please **NO** flip-flops.
- **What to wear:** Please send campers to camp in cool, washable "play clothes". Fun can be messy!

Campers may not bring personal toys or electronics (I Pods, CD players, Game boys, cell phones etc.) to program. The only exception will be camera's on field trip days.
