June 2016 Update

WELCOME TO THE

ART WALK

Yountville has quickly become as synonymous with art as it is with food and wine. From Michelin stars to masterpieces we like to say!

Start anywhere you like, take a look at the map and you will see that there are sculptures at both ends of town and everywhere in between.

Sculptures with prices listed in the brochure are for sale. A percentage of each sale goes into the Yountville Arts fund and provides continued support to our arts-related activities and events. The plaque located at the sculpture will give you contact information for the artist or you can call RasGalleries at (707) 696-4420.
