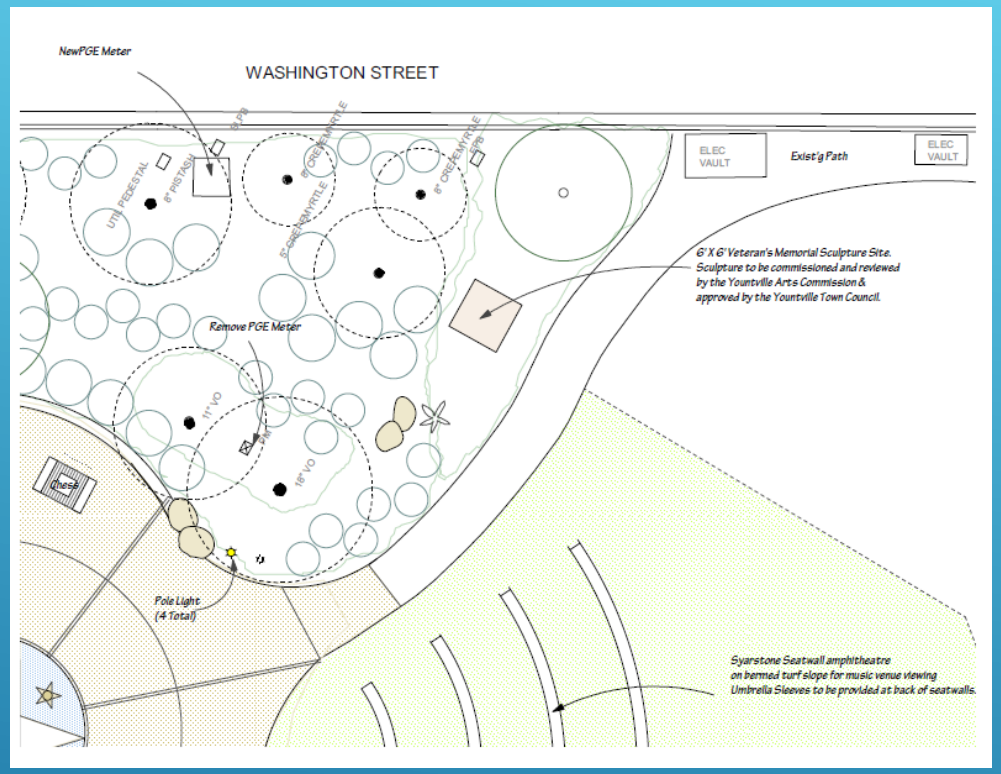
# INTERPRETIVE PANEL TO TELL STORY OF VETERANS HOME AND TOWN OF YOUNTVILLE

## Sample Panel

## Panel at Community Center

THE INTERPRETIVE PANEL WILL BE DESIGNED TO PROVIDE A VISUAL HISTORY AND CONNECTION TO THE VETERANS HOME AND ITS CONNECTION TO THE TOWN AND VETERANS MEMORIAL PARK. THE LOCATION OF THE PANEL WILL BE DECIDED ON SITE DURING CONSTRUCTION TO ALLOW FOR EASE OF USE AS WELL AS VISIBILITY TO THE PARK USERS. THE PANEL WILL BE SIMILAR IN DESIGN TO THE ONE SHOWN ON THE LEFT.



- A sculpture pad will be installed during construction. The Yountville Arts Commission will hold a call for artists to design a sculpture that will pay homage to Veterans of the United States Military to be on permanent display. The call for artists will be drafted by the Arts Commission and approved by the Town Council giving specific requirements and parameters for the designs including but not limited to the medium, that the art must be an original design and the minimum and maximum size. A Council, Arts Commission and public Ad-Hoc Committee including VH members will jury the submissions before bringing a selection recommendation to the Town Council for final approval. Staff is recommending a $20,000 expense budget for the sculpture.
