

Water Conservation Reminder

Can you believe it's already May? Before you know it, we will be enjoying those warm summer days. The Town would like to remind residents and business owners that the State of California is still in a drought and that Governor Brown has not lifted any restrictions.

Here are some important reminders:

- ◆ No irrigation is allowed between the hours of 10 A.M. and 6:00 P.M. daily
- ◆ Yard irrigation is restricted to twice a week per parcel.
- ◆ On Mondays and Thursdays even number addresses are allowed to use water for irrigation.
- ◆ On Tuesdays and Fridays odd number addresses are allowed to use water for irrigation.

Here's a Tip: Watering in 5 minute increments with 4 hours separation is a good practice!

Don't forget-if you have a Yountville water account and grass turf, you can apply for our **Cash for Grass Program**. Transform your landscape using beautiful drought tolerant plants. To obtain more information, view the Cash for Grass flyer on the Town's website.

Now Open for Your Enjoyment: Yountville Community Park

Have you checked out the recently renovated Yountville Community Park?

What's New? ADA accessible pathways, a new fence which allows for beautiful views of the park, and drought tolerant plants (which will fill in to look like the planting at Town Hall). Coming soon, the Town will be installing safer BBQ grills.

Also, many of our park sites and amenities are available for rental. This is a great way to enjoy Yountville's beautiful parks with family and friends! To reserve and get the resident discount, please call 707-944-8712 or stop by the Community Center. You can visit the Town's website at www.townofyountville.com

Employee Spotlight: Kristine Massey

What do you do for the Town? I am the Administrative Assistant at Town Hall, and I have been with the Town since October 2007. I support Administration, Finance, Town Clerk, Human Resources, Public Works and Planning & Building. I love providing excellent customer service and am often the first person you see when you visit Town Hall.

What do you do in your spare time? I am a fifth generation resident of our beautiful valley, and I enjoy spending time with my husband and our two daughters, gardening, cooking and being outdoors, preferably in the sun and near the water.
