MEDIA RELEASE

FOR IMMEDIATE RELEASE

Date: October 24, 2016

Contact: Joe Tagliaboschi, Public Works Director

Subject: Microsurfacing Postponed due to Inclement Weather

On Thursday October 20, 2016 the Town issued a media release indicating that microsurfacing would be performed this week. Barricades were placed and door hangers were distributed for residents living on Humboldt, Oak Circle, Oak Leaf Court, Harvest Court, Heritage Way and Heritage Court.

However, due to the impending rain, the project is being rescheduled, and the barricades will be removed. The Town will provide an update as soon as more information is available. We apologize for the inconvenience and thank you for your cooperation!
