Subject: Changes to Street Sweeping Frequency

It is fall! Due to the leaves falling from the trees the Town will be sweeping the entire Town beginning this Friday and every Friday thereafter for approximately two months. This will allow the Town to keep the streets clean and debris free from clogging storm drains. We ask that you do not park in front of your home or business from 6:00 a.m. to 12 noon to allow the street sweeper to do its job!
