REQUEST FOR EXEMPTION FROM MANDATORY WASTE SERVICE

I wish to apply for consideration of an exemption from the requirement of Yountville Municipal Code Title 13 for Mandatory Solid Waste Service if property has an active water service account. The following conditions may be eligible for waiver of mandatory service provided documentation and verification of information:

- | | |
|------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------|
| <input type="checkbox"/> Granny unit/second unit on same/adjacent parcel | <input type="checkbox"/> Two units/ home on same/adjacent parcel(s) owned by the same individual or entity. |
| <input type="checkbox"/> Two or more units with shared driveway | <input type="checkbox"/> Irrigation Only |
| <input type="checkbox"/> Self-haul to certified landfill (must provide current receipt from landfill and file quarterly receipts in order to maintain exemption) | <input type="checkbox"/> No residential water service |

Address of exemption request: _____

Please use the space below to provide additional information demonstrating compliance with the requirements to support your request for exemption (attach additional pages if necessary):

I understand that should my application for exemption be denied, I will be required to start and maintain service immediately. Please contact Upper Valley Waste Disposal & Recycling at (707) 963-7988 for information and to start service.

Name: _____
