Extra holiday packaging? Food scraps from delicious meals? Don't forget to recycle and discard solid waste responsibly! Check out Upper Valley Disposal for more information at <http://www.uvds.com/>

Here's a tip: UVD uses single stream recycling- you do not need to separate your recyclables! This makes it easy to put all eligible items in the blue bin.

Holiday Closure Reminder!

Friday, December 23rd,
Monday, December 26th and
Monday, January 2, 2017.

On behalf of the Town, we wish you a safe and happy holiday season!

Did You Know?

As we approach the holiday season, please take note - peddlers and solicitors must have a valid permit from the Town to conduct business. They are required to carry a Town issued identification card as proof of registration. If they do not have this card, please report them to Town Hall at (707) 944-8851 or the Sheriff's Office (707) 944-9228 immediately.

Please Help Us Keep Yountville and Our Streams Clean

In an effort to keep the Town clean and to comply with storm water regulations set forth by Phase II of the Bay Area Storm Water Management Association and the Town's NPDES (National Pollutant Discharge Eliminating System) permit, we are asking residents, employees of local businesses and visitors to please keep all trash and recycling off the ground and in the designated trash or recycle can. This includes cups, napkins, wrappers and cigarette butts.

Thank you for your cooperation! By keeping the storm drains clean, the water that empties from Hopper Creek to the Napa River and the San Francisco Bay will be clean too!
