Subject: Painting at the Post Office to Begin the Week of August 14, 2017

Beginning the week of August 14, 2017 and continuing through August 25, 2017, the Town will be completing regular maintenance of the Town owned Post Office building. This maintenance work includes power washing and painting of the building exterior. Work will take place between 8:00 a.m. and 5:00 p.m. with no noisy work beginning until 9:00 a.m. in compliance with the Town's noise ordinances. One of the two building entrances may be blocked off as needed, but access will be maintained while the work is underway. Parking will be impacted when work is being done on the parking (north) side of the building.

The Town owns the Post Office building and is responsible for its ongoing maintenance and upkeep. We apologize for the inconvenience this work may cause and appreciate your patience and understanding as the work is performed.
