Assistive listening devices are available upon request.

***** Please turn off pagers and/or cell phones while in the Council Chambers.*****

Submission and Availability of Information: The Town encourages submission of written comments relevant to the Authority agenda items at least one day before the meeting where the item will be discussed. The submission of written comments allows the Authority more time to consider the matter and, in situations of significant public interest, may enable the Authority to consider a greater amount of input than if comments are presented orally at the meeting. Written comments submitted to Town Hall at least one day prior to a meeting will be delivered to each Authority Member before the meeting. Before the meeting, the public may review available information at Town Hall.

Closed Sessions: The Authority will convene in Open Session at the stated time, but will then adjourn to any Closed Sessions listed on the agenda. The Authority will reconvene in Open Session at 6:30 p.m. If necessary, the Authority may reconvene in Closed Session to continue discussion of listed items following the completion of other business.

Public Testimony Procedures: Pursuant to Government Code Section 54954.3, the public may address the Authority on each agenda item during the Authority's consideration of that item. Each speaker may state his or her name for the record before testifying. Depending on the number of speakers or the interest in the item, the Authority may at its discretion, limit the period of comment for each speaker to five minutes or less. The Authority may also restrict, at its discretion, the time allotted for each speaker if the speaker's public comments become irrelevant to the agenda item or if the comments become repetitious.
