## Yountville Town Council Staff Report

**DATE:** July 15, 2025  
**TO:** Mayor and Town Council  
**FROM:** Celia King, Administrative Service Director  
**PREPARED BY:** Kyle Batista, Financial Analyst

### **RECOMMENDATION**

Receive and File Preliminary June 2025 Monthly Financial Report.

### **DISCUSSION/BACKGROUND**

The monthly financial reports are presented to provide a summary overview of revenues and expenses of the Town's major funds: General Fund, Capital Projects Fund, Water and Wastewater Enterprise Funds.

This report for June 2025 is considered preliminary. Amounts are subject to change as we complete the fiscal year-end processes. Invoices pertaining to the prior fiscal year are received throughout July and August and posted back to June. Similarly, revenues such as TOT, sales tax, and property taxes relevant to the prior fiscal year are received in July and August and posted back to June.

This report will be brought back to Council once the fiscal year has been closed and the numbers are finalized, which will be once the Town Audit is completed.

### ***June 2025 – 100% of the Fiscal Year***

TOT revenue reflected in this preliminary June 2025 monthly financial report is applicable to collections for July 2024 through May 2025, or 91.7% of the Fiscal Year.

Sales tax receipts lag 2½ - 3 months behind the actual collection period. The sales tax included in this preliminary June report is applicable to July through April, or 83.3% of the fiscal year.

The Town received a sizeable installment of property taxes from Napa County in May. Property tax revenue collections are at 98.5% of budget projections for the fiscal year.

Two other items that will affect the expenditure portion of this report are the year-end true-up conducted with the Veterans Home to determine the true cost of Town water purchases and Veterans Home wastewater treatment and the final bill for Fire and Emergency Services from January – June. Both transactions will be finalized by September.

The Town is no longer expecting to receive the \$2,000,000 USDA low-interest loan revenue budgeted in Fund 63 Wastewater Capital Joint Treatment Capital. Additionally, the Town anticipates only receiving about \$300,000 of the \$1,750,000 budgeted for Miscellaneous Revenue in the same fund. This is the

insurance reimbursement for the Recycled Water Transmission Main Repair Project. There is adequate Fund 63 fund balance to cover these changes.
