

GET ALERTS - STAY INFORMED!

BEFORE an emergency:

Powered by everbridge

KNOW YOUR **ZONE**

Create an account for **Alert Napa County** powered by **Everbridge** on your web-browser or phone. Instructions, including for evacuations, are issued through **Alert Napa County**. More information can be found at: readynapacounty.org

- Install **Alert Napa County** powered by the **Everbridge APP** by **downloading the Everbridge mobile app** via the **Google Play Store** or **Apple App Store**. On the app tap **"Find an organization or subscription"** and **search for Alert Napa County** to get started on creating your account.
- To sign up on your computer, visit the **Alert Napa County** webpage to create an account: bit.ly/AlertNapaCounty

AND/OR

Sign up for **Alert Napa County text alerts** by messaging your **zip code** to **888777**

Napa County & its municipalities have established pre-determined evacuation zones available at:

aware.zonehaven.com

Zonehaven is a tool for people to know their evacuation zones prior to an emergency. Input your address to the interactive online map to find your zone. **Alerts sent through text and Everbridge will refer to these evacuation zones during an emergency.**

DURING an emergency:

Follow **ALERTS AND ADVISORIES** and **TUNE** into your local radio station for live **NEWS** and **UPDATES** in your area

Check out:
