**\* Add Additional Pages to Budget if needed**

Please answer the following questions as they apply to your project. Responses are limited to 5 pages at 12-point font including drawings and photographs. Please include page numbers on all pages.

1. Describe your project, including objectives and goals, and explain how your project will meet these goals.

Include the following:

- Who will benefit from the project and how many people are expected to be impacted by the project?
- Describe any approvals and permits needed and obtained for your project.

2. What is your outreach plan? Please explain how your project will be open and accessible to the community.

3. Describe the community support for your project.

- a. What organizations, non-profits, resident groups are involved with the project?
- b. What roles are they playing and describe how collaborative the project is?
- c. What other support exists for your project?

4. Is there ongoing maintenance required for your project? If so, what is the plan for maintenance and who is going to be responsible?

5. Projects should reflect environmental consciousness regarding materials, energy, and conservation. Please describe how your project will meet this goal.

6. Project Budget: Grant requests may not exceed \$ 20,000. Please explain how the requested funds will be used, how the cost estimate was determined and the status of matching funds. This section is in addition to the cost estimate form.

## **Kiosk Yountville Pioneer Cemetery**

1. Describe your project, including objectives and goals, and explain how your project will meet these goals.
  - a. The objective is to construct a **Kiosk** to display map of the cemetery showing locations of grave sites which may include military service and historical sites of interest.
  - b. The second objective is to have the ability to display activities taking place on site.
  - c. The third activity is to have a QR code that can access specific people buried on site and the location of the grave site.

Include the following:

- Who will benefit from the project and how many people are expected to be impacted by the project?
  - All visitors and citizens will benefit from the Markers because it will identify unmarked grave sites. The beneficiaries can include towns people, tourists, historical inquiry, and people seeking educational or historical purposes to name a few.
- Describe any approvals and permits needed and obtained for your project.
  - There are no permits or approvals required.

2. What is your outreach plan? Please explain how your project will be open and accessible to the community. An informational article in the local paper will introduce the Kiosk to the residents.

3. Describe the community support for your project. The YPC board has contacted volunteers who have committed to the project. These are community members and other assisting the YPC in the past.

a. What organizations, non-profits, resident groups are involved with the project? The YPC.

b. What roles are they playing and describe how collaborative the project is? Two board members researched Kiosk styles and pricing, then gathered estimates. We have other board members completing the grant fund application for expenses. We have other board members and volunteers committed to helping install the Kiosk.

c. What other support exists for your project? Former members of the Yountville Kiwanis Club, local Boy Scouts of America members, local citizens and board members.

4. Is there ongoing maintenance required for your project? If so, what is the plan for maintenance and who is going to be responsible? There may be periodic maintenance that the Board of Directors of the YPC will budget for and maintain.

5. Projects should reflect environmental consciousness regarding materials, energy, and conservation. Please describe how your project will meet this goal. Using timbers from renewable sources of forest. Nontoxic paints will be used.

6. Project Budget: Grant requests may not exceed \$ 20,000. Please explain how the requested funds will be used, how the cost estimate was determined and the status of matching funds. This section is in addition to the cost estimate form.
