**Equivalent Fund Class 1 Multi-Purpose Paths:**

Please provide a five year multi-purpose Expenditures beginning in FY 20XX-XX (add rows as needed):

Project #	Fiscal Year	Total Project Amount	Measure T Amount	Federal Funds	State Funds	Other Local Funds	Project Description	Project Phase (Env, PS&E, Construction)	Location (intersection, mile marker, length of alignment)	Project Included in Countywide Bike Plan?	Project in Jurisdiction's Capital Improvement Plan?

Note: The amount of a jurisdiction's annual bike expenditure must be a minimum of 6.67% of the anticipated revenue amount received from Measure T each year. Estimates by jurisdiction are shown on the table labeled "Measure T Revenue Estimates". Funding for Class 1 Multi-use path projects that are funded by philanthropy, state discretionary funding or federal discretionary funding shall not count as part of the 6.67 % expenditure obligation required to be eligible to receive Measure T revenues.

Comment: Please provide any additional information to explain your project list. E.g. This project list is the jurisdiction's CIP, the jurisdiction opted to include additional projects to have flexibility in completing a variety of projects

The Town of Yountville completed a set of Class 1 Facility projects shown on the previous 5-Year Plan that contributed to the collective 6.67% equivalent fund commitment. The Town currently has no Class 1 Facility projects to list on this 5-Year Plan. As projects emerge, the Town will list them on future 5-Year Plan updates.

Note: The list will serve as the five-year list of projects required for submittal by each jurisdiction as stated in the Measure T Ordinance. These will be projects that will be delivered, depending on available revenues and when revenues become available. Prior to any allocation, jurisdictions will also be required to submit all of the necessary documentation requested as evidence of a **public hearing** to ensure that the members of the public were able to comment on the proposed project list as well as a Resolution in support of the proposed project list.
