Eye On Water

THE APP THAT ALLOWS YOU TO TRACK YOUR WATER USAGE

For those who have created an "Eye On Water" Account, here is an example of what you will see when you log in. Click on the ? Mark symbol for Frequently Asked Questions to get the most out of the App.

The screenshot displays the "At a Glance" section of the app. It features three main data points: "Last 7 Days" (832 Gallons), "Previous 7 Days" (833 Gallons), and "30 Day Average" (124 Gallons). A large green downward arrow indicates a "0% decrease" in usage. To the right is a bar chart showing weekly consumption: 417 Gallons for Friday (F), 0 Gallons for Saturday (S), 0 Gallons for Sunday (Su), and 417 Gallons for Monday (M). A red dashed arrow points from the question mark icon in the top right of the "Leaks" section to the "At a Glance" section.
